Lebanon and Cook Islands - a traveler's delight [Billy Johan](#)

Article published on February 22nd 2012 | [Aviation](#)

Lebanon and Cook Islands are very much sought after by explorers these days and this article enlightens you about both the places.

Lebanon:

When it happens to be experiencing three different and similarly inspirational cultures, an exceptional travel experience is guaranteed. Cheap flights to Lebanon are in profusion; therefore one can go ahead and have a wonderful time on any holiday season.

A step into the nation and you are surrounded by majesty all over. Blessed with golden seashores, eye-catching scenery, panoramic sights and remarkable landscapes, Lebanon is strictly beauty personified. Sitting pretty at the crossroads of the Mediterranean Basin and the Arabian neighborhood has had great influence of the country's rich past and designed an enlightening uniqueness of religious and national diversity. Every nook and corner is laden with archeological as well as historical wealth. Fresh-looking mosaics from the Roman and Byzantine ages, colorful, small stones forming elaborate metaphors of legendary figures, and other significant prehistoric remains are distinctive.

Lebanon is surely a place of never-ending possibilities and sightseeing of several sorts can be indulged in and enjoyed. The souks and night bazaars are forever busy with activities, one can come across beautiful and conventional craft items, art ornaments, hand-woven carpets, spices and gourmet foods and other mementos to take home. Lebanese food is renowned world over and undoubtedly doesn't need any introduction. Please the foodie within through savoring and enjoying interesting dishes and specialty food, they are sure to entice your taste buds and leave you asking for more.

There's much to be done and observed here, given an overabundance of museums and art galleries, exhibition houses and numerous educational sites. Nighttime celebrations, also, is pretty vast and exciting.

Cook Islands:

One can wade into cool, tranquil and blue lagoons here. The Cook Island's culture is drawn by its Polynesian tradition and united with European influence. A unification of mystic islands sheltered with legends of romance and piracy, adventures and unseen reserves, which formed customs and traditions that provided the Cook Island natives their individual distinctive individuality.

The call of drum is loudest and well-known in the Cook Island, talent and style of their drumming and dancing will take you to religious trip, so let the excellent new charm of these stunning Cook Islands hold your spirit and grasp your heart via cheap flights to Cook Islands.
