Are you looking for new Portable Air Conditioning Units? by [Mary Porter](#)

Article published on July 17th 2012 | [Business](#)

There are a number of things which office managers and other business owners must keep in mind when furnishing a work environment, and one of the most important aspects of creating a pleasant work space is to ensure that a good temperature is maintained all year round.

Portable air conditioning units are an ideal solution which can help ensure that no matter how warm it is outside, the interior of an office or other business premises is pleasant and comfortable enough for workers to spend hours a day inside.

The right portable air conditioning units will have a range of different settings, and will be easy to use and simple to set up, ensuring that those buying portable air conditioning units will be able to feel the benefit of their devices soon after buying.

Here at CAS Hire we specialise in portable air conditioning units and our range of portable air conditioning units includes portable ducted air conditioning options, portable split air conditioning solutions and a number of other options, giving our portable air conditioning units customers a great deal of choice.

We have been providing high quality portable air conditioning units for 25 years and during this time in the sector we have built up a loyal client base of firms in all kinds of sectors, who trust us to provide them with reliable portable air conditioning units.

We know that cost is an issue for many people looking for portable air conditioning units for their business space and this is why as well as brand new models, we also offer a wide range of portable air conditioning units for hire.

Many of our clients come to us for complete solutions, and this means that as well as portable air conditioning units, we stock a wide range of dehumidifiers, air cleaners, heaters, fans and other devices which are designed to create a pleasant working environment.

If you are looking for portable air conditioning units then visit us here at CAS Hire and browse through the wide range of portable air conditioning units we have on offer, for both purchase and hire.
