Feel the Joy of Life with Thailand Tourism by [Abi Gail](#)

Article published on August 3rd 2012 | [Destinations](#)

Having an irresistible combination of breathtaking natural beauty, inspiring temples, renowned hospitality robust cuisine, besides ruins of fabulous ancient heritage, Thailand is the most visited places in South East Asia. In spite of being influenced by contact with foreign cultures, Thailand has retained its cultural heritage, the reason behind thriving Thailand Tourism. The never changing character of Thai culture has remained dominant even in city life, making travellers visiting this place from around the sphere.

Ayutthaya Historical Park, a UNESCO World Heritage site, is a jewel in Thailand Tourism. Historic temples of Ayutthaya are scattered throughout this once magnificent city, as well as along the encircling rivers. To have a glimpse of depicting the rich past, don't forget to visit, Wat Phra Si Sanphet, Wat Mongkhon Bophit, Wat Na Phra Meru, Wat Thammikarat, Wat Ratburana and Wat Phra Mahathat. Boasting the tallest Buddhists Pagoda both in Thailand and in the world Nakhon Pathom is revered place for Buddhists is also known for greatest Elephant Show.

Thailand Tourism offers its travellers diverse spiritual, adventure, and pleasure seeking trips making this place a perfect destination to relax and rejuvenate. With thousands of backpackers ready to put their foot at this place with outstanding natural beauty and idyllic beaches attracting increasing number of holiday makers, making Thailand Tourism rich. With world class scuba diving, sea kayaking, and rock climbing, this place is an ideal destination for travellers having affinity with adventure sports. An avid adventure sports traveller has an opportunity to explore Andaman Sea and Gulf of Thailand as both are in proximity with this land of magnificent beauty. The island of Ko Chang, is a place with excellent gulf adventure, with mist wrapped mountains peaks and offshore reefs.

A visit to East Coast Island means Koh Samui and Koh Phangan which are one of the major constituent of Thailand Tourism is always desired. Enhancing your trip to this country with, beautiful palm trees lined white sandy beaches, clear turquoise beaches, a diverse range of places to stay, are very well liked by tourists and backpackers. As a nature lover a trip to Kanchanburi is advised where they can raft down the stream watching enchanting scenery.

The right time to visit Thailand with family and friends is a matter of choice. But with no absolute extremes, weather in Thailand is reasonable most times of the year. So pack your bags with family and friends and this vacation spend your time to take the pleasure Thailand Tourism and make this stay a memorable one.
