Article published on June 26th 2012 | [Education](#)

CBSE is the abbreviation for the Central Board for Secondary education that is an education board and sets the syllabus for public as well as private schools in India. The examination papers for standard 1-9 and 11 are set internally by the respective school teachers of the schools only, but the papers for standard 10 and 12 are set by the CBSE. It conducts monitors and regulates the examinations for class 10 and 12 for all those schools that follow the CBSE course material, all across India.

The papers in class 10 are held every year in the month of March and based on the percentage of marks scored by each student, different streams are offered to him such as arts, commerce, science fashion design, etc. Hence it can be said that the 10th class board exams are like the first step towards the accomplishment of one's dreams. Because of this, a lot of hard work is required to prepare for such exams. After this, the 12th class board decide the future of a child with respect to university, college, and graduation course.

In order to prepare well for these exams, many publishers publish books on CBSE board guess papers and sample papers. Sample paper books include the last few years questions papers for respective subjects where as the CBSE board guess papers contain additional questions that are expected to come in the coming broad exams. Hence along with the sample papers, CBSE board guess papers are also a very important course material that one must use in order to be well prepared even for the situations that have never occurred before.
