Article published on April 26th 2012 | [Internet](#)

Search engine optimization needs no formal introduction or definition; for every online companies and website owners, it has become a regular phenomenon. Its needs, benefits and significance is not unknown to anyone as they frequently take recourse to it for generating higher traffic on their sites and increasing their sales rate. However, apart from the improvement of rank on the search engine, it is also important to maintain and retain that position. There are both ethical and unethical SEO services.

Before hiring portland seo services, one must always ensure that company provides ethical SEO services, also commonly known as white hat SEO services. White hat or ethical SEO service providers comply with all the norms, regulations and rules of the search engine. It implies maintaining the honesty and integrity of a company. Many people also practice black hat or unfair SEO practices.

The importance and significance of ethical SEO services are:

â€¢ The job of the SEO company is not only to improve your websiteâ€™s ranking and enhance the visibility of your website on the internet, but they also strive towards providing an impetus to your companyâ€™s credibility. It is a continuous process and any unfair means can tarnish your companyâ€™s credentials and reputation.

â€¢ Unethical SEO services make your website available to everyone and believe that all views are good views. However, ethical SEO services ensure that your website or webpage is available to the targeted audience. Therefore, there is a slow and steady improvement of rank for those who opt for ethical SEO services; while in case of unethical SEO services the rank of your website rises and falls rapidly.

â€¢ On many occasions, websites may get blocked on the search engine due to unethical SEO services and means.

It is therefore, advisable that when you hire a portland seo company, always make sure that it is ethical. This shall ensure that your purpose is served, without falling into unnecessary troubles.
