Enhance the Skills of Your Child by [Suresh Khare](#)

Article published on July 12th 2012 | [K-12 Education](#)

The life of an individual starts when he is a kid as the basics of education plays an important role. A kid learns only from his basics and these can be gained from the proper schooling. Parents always get worried about their little ones as to in which school they should get into. Day after day there are many schools which are emerging and increasing the competition between them.

This problem can be sougheed out by the Play school in Gurgaon as the schools in Gurgaon assure the parents that they will surely provide best learning skills to the students. The main motive of these schools is to teach the kids basics of education, how to behave, how to be disciplined and other things.

They accommodate the students with the activity rooms which have the educational toys, puzzles just to enhance their logical skills, permanent maids to take care of the kids. The teachers are highly qualified and well experienced who can take responsibility of so many students by paying equal attention to the students. Some of the best Play School in Gurgaon is Learning Light House, Ajanta Public School, Mother's Pride, Panchantantra Montessori School and many others.

Sometimes parents think that their child should go in a girls or a boy's school. The studies are same in both the schools but the parents get worried about their children. Girls' Schools in Jaipur are very famous for their studies. There are many girls who have topped in these schools just because they have got the best education as well as the facilities.

Depending upon the mental capability, learning capacity, a student learns the things which are taught to them. These schools have some of the rules like boys can't enter the school and the student can't carry the expensive gadgets to the school.

All the schools provide the education to the students but the boys' school in Kolkata assures the best education to the students which will be provided by the highly qualified teachers who can take responsibility of teaching the students and helping them in every manner.

These schools not only concentrates on the academic qualification so as to increase the logical skills but also encourage the students to participate in the co-curricular activities like the sports, performing arts, dance and others to stay physically fit. Some of the best boys' school in Kolkata is Calcutta Boys School, Taki Government Sponsored School, St. James School, Albany Hall Public School and many others.
