Article published on August 16th 2012 | [Shopping](#)

Wedding programs are an important part of the marriage proceedings. It gives the guests a very good idea regarding what to expect from the event and make the most of it. Both the prospective bride and the groom come together to develop the wedding program. It is an interesting keepsake for all those who attend the ceremony and wish their best to the newlyweds. This high quality piece of paper contains a number of important information from the name of the couple who are getting married their parents, those who are going to attend, the programs which are going to happen. Besides this photographs are included in it to along with some interesting quotes.

The wedding programs are unique and interesting and should be developed on quality pieces of paper which will have a long life. By reading it the guests get a good idea regarding the bride and the groom. How they met and when love blossomed can also be explained in such programs. Most of the photographs which are included contain snapshots of the couple who are to be married. Some also include pictures of the venue or the place where both of them met and even childhood photos. Ultimately what you want to do is best left to individual discretion.

As far as the ideas for quotes regarding wedding programs is concerned there are myriad places to choose from. Borrow liberally from the famous classic writers and make your wedding anniversary both unique and completely interesting. You can choose from authors such as Shakespeare, Browning and other love poets from the Golden Era of English literature. Also you can include quotes from popular TV programs and sitcom to give it a modern touch and also bring in an element of humor. Whatever you do always make it in good taste which is appropriate for a serious occasion such as a wedding.

The quotes of the wedding programs should always be close to your heart, and what you really feel about. Do not include something only because it was suggested to you. If it is a Christian wedding, it is only natural you will have inclusion of a Bible verse or quote. It helps the guests to understand what type of ceremony you are in for. The relevant quotes in the wedding program can be used everywhere you deem fit right from the introduction. It increases the gravity of the event and also adds to the beauty and the appearance of the overall effort.
