What do you give to the man who already has every piece of outdoor gear imaginable? How about something that can serve as both fashion as well as function! A watch that will withstand the weather on any adventure, but still look attractive when he is enjoying that post-climb beer with his buddies is both rugged and beautiful. Just like him. He is certainly a man of maps, compasses, sunrise and sunset. But, it can't hurt to be sure of the time when you're out in the wilderness. Even though he's sure he can tell the time based solely on the sun, he'll find a use for a stellar, masculine Swiss Army Watch. So, show him how much you appreciate his adventurous spirit, as well as his cunning fashion sense when you give him the perfect piece of gear. Take some hints from these beautiful watches that we love.

Victorinox Swiss Army Men's Maverick Swiss Made Quartz Red Bezel Stainless Steel Bracelet Watch

Classic. Stunning. Solid. This timeless watch will always keep you on time, no matter what adventure you are on. The round stainless steel case houses a black dial featuring silver-tone Arabic numerals at all positions except 12:00, 2:00, 6:00, and 10:00. Take this watch on a day hike, or a multi-week trek, and you'll stay safe, as your time is always sure to be known. Take it out on the town and you'll be seen as that rugged mountaineer who still keeps his finger on the timeless fashions. Rounding out the stylish, masculine design is a stainless steel red unidirectional bezel. Silver-tone luminous hour and minute hands, plus a red seconds hand keep you on time without sacrificing design. This watch screams sporty sophistication for an active life.
