Mauritius- the Perfect Vacationing Place for the Honeymooners, Family and Couples and All That You Need to Know About It by [Austin Brian](#)

Article published on July 19th 2012 | [Travel](#)

Called as the key and star of the vast Indian Ocean, Mauritius is an island situated at the southeast coastal region off the continent of Africa and towards the eastern side of Madagascar. The capital of Mauritius is a city called Port Louis. The languages that are spoken in the picturesque island of Mauritius are English, Mauritian Creole and French. People from various ethnics and races are settled in the island of Mauritius which leads to the popularity of the beautiful island. Some of the ethnic races include French, African, Chinese and Indian. Mauritius had also been acclaimed since it was home to the now extinct bird called dodo. Mauritius is an important part of the islands of Mascarene and has a young geography. Volcanic activity millions of years ago has lead to a ridged terrain. Because of its beautiful and scenic landscape, climate and an untamed beauty, Mauritius is one of the most visited islands when it comes to tourism. Lots of international tourists from near and far are attracted to the unending charm of the island. Several Mauritius tour packages are offered and are available to the tourists at much affordable rates.

The best time to visit:

Mauritius has a tropical climate in the coastal regions having dense forests decking the mountain areas. Mauritius scores a top rank in the air quality of the island, and hence it is ideal for vacationing for the elderly and the sick people. Honeymooners find Mauritius as an ideal place for honeymoon as it is a charming and peaceful place with lots of options for spending quiet, romantic and lavish time together. Even families find it a perfect getaway due to the climate and fun places it has to offer. Although the best time to visit this island of dreams is between June and December which are cool and dry winter months. Lots of Mauritius tour packages are available for this time providing you with the best of food and lodging options along with other recreational activities. The Mauritius tour packages can be availed by booking online or by contacting a travel agent.

Advantages:

Advantages of booking Mauritius tour packages are manifold. One is you can book just by simply sitting at your home and making a few clicks. Another is you can book your entire trip in advance and when you arrive at your destination you don't need to worry about other whereabouts and sight-seeing problems.
