Are you planning to visit Barcelona? This Spanish city is one of the most visited places in Europe. It is one of the top travel destinations that enjoy strong tourist presence all throughout the year. Being situated on the eastern coasts of Iberian Peninsula, the climate is mild and humid during winter. The summers are quite warm and dry. In short, the climate of Barcelona can be described as Sub-tropical Mediterranean climate.

Rainfall is minimal in this part of Spain. Being a sunny city, the chances of fog as well snowfall is quite rare. However, a slight amount of frost can be experienced within the hilly region located at the outskirts of the city. From the middle part of August till November, the thunderstorms normally take place.

Being a coastal city, there are plenty of water activities to enjoy during your stay. Hiring a yacht Barcelona and sailing through the heart of the Mediterranean Sea is one of the most common and loved options availed by the tourists. Yacht ride is truly an awesome experience. Every tourist who steps into this ancient coastal city should try it out.

Yacht rental Barcelona will cost around 370 â‚¬ (on season) and 220 â‚¬ (off season). This cost may vary from one agency to another. This is the minimum cost for a basic yacht. With lengthier ones that includes additional hi-fi facilities, the cost may even increase to 6000 â‚¬ (on season) and 3500 â‚¬ (off season). After all, the cruising will be surely one fine experience to avail. It will be one those experiences that will remain in the memories forever. There are different agencies and the rates vary accordingly. Hence, it is recommended to survey properly about the availability of the best services at the most affordable rates before approaching any particular agency.
