When we talk about wedding lot of thoughts comes in our mind. Wedding does not mean the relation of two people it is a relation of both families. Wedding day is the most special day of the two persons who are getting married. After that day their whole life gets changed. They want that this day should be wonderful. They want the day to be unique for their whole life. The bride and groom both want they should look beautiful on their wedding. They both want to look high-cost on their special day.

While planning of wedding a number of works are there to be done and lots of ideas come to your mind for the wedding. In these ideas lots of things are there like banquet hall, decoration, music band, guests, shopping of clothes and so many other things. The cost of wedding can increase up very speedily which can change your budget amount so one should go for the perfect wedding planner that can suggest the best wedding ideas at the low cost. Moreover with the ideas of the wedding planner your wedding can get a traditional look as there are so many rituals in our society which should be done properly and perfectly.

1. At the time of planning one should go through with some wedding ideas to save money as well as time. Here are some cheap and best wedding ideas for you:
2. Cut out the needless expenses: if you are having your own car you should avoid taking car on rent you should go to the wedding venue by driving your own car.
3. Avoid experts: you should try to do your work your own self. No doubt that there are lots of things to be done while planning wedding but for every work you should not hire an expert to do it. There are many things that you can do easily by your own self like as decoration, photography etc. as if you will hire experts for these small works they will charge a lot and your budget of wedding will also be disturbed.
4. Simplicity: your wedding Surrey should be simple. You can cut down the number of family members and friends; you can reduce the variety of food available on menu. Try to make your wedding chic for cheap. Keep in mind that simplicity is more stylish than anything.
5. Dress material: you dress should be very good looking which gives comfort to your body and extra ordinary style to your look. It is applicable for both bride and groom. One should not go for very heavy dress as it will bring uncomfortable ness to you.
