Why Do Companies Opt for Outdoor Media Advertising? by [Harry Tan](#)

Article published on January 31st 2012 | [Advertising](#)

Advertising is extremely essential for promoting businesses but how why is it that more and more billboards are being posted every day? Aren't commercials the more popular option for advertisers? Outdoor media advertising refers to advertisements that are placed outside the consumers' homes. This includes billboards, bus, taxi, airport, and Train Advertising. Outdoor media advertising remains intact for twenty four hours a day and seven days a week which contributes to the maximum exposure of the advertisement. The number of customers can also increase when advertisements are distributed to various populated areas which will in turn increase competition for the business. The more a business advertises, the more people will become aware of their products or services. This might mean that a business will have to invest more on their advertising efforts but it will also mean that the business will be earning higher revenues.

But take note that outdoor media advertising is not only for advertisers and outdoor Advertising Agencies. Other people can also make use of this medium to seek aid for a certain cause or to spread awareness for health and welfare.

Outdoor Media Advertising is extremely effective because people are extremely fond of the outside world. They spend a lot time and do a lot of things outdoors which outdoor media advertising takes advantage of. But even so, the fight for the consumer's attention is tough. There are a lot of things that can distract consumers and make them too busy to notice an advertisement. That is why advertisers and Out of Home Media Owners should use a lot of techniques and strategies to get noticed by their audience. Advertisements have to be readable at a distance with huge fonts and a few words only. Using a famous icon is also an effective way of capturing the attention of consumers especially huge fanatics. Having popular characters associated with the brand or product will also make Advertising Campaigns and the product popular.

Outdoor Media Advertising is so effective and affordable that even small businesses can make use of this form of advertising to promote their businesses. It reaches out to all kinds of people in all kinds of places. Advertisers can have a huge amount of audience or opt to focus on a particular group by placing their ads at a particular place. There are also a wide variety of platforms that advertisers can choose from whether small or large. This form of advertising that is available for everybody for a long time can create a memory- retaining effect on people. It can promote awareness about current issues or success for the business and loyalty of the people.
