As the UK's leading surfacing business playground markings are a doddle for Riggotts by [Mary Porter](#)

Article published on June 15th 2012 | [Business](#)

---Riggotts is proud to be considered one of the UK's leading line marking and surfacing companies. Established in 1994 this award-winning family-run business has garnered much praise and has the experience to provide its customers with a whole manner of surface marking solutions.

All of the road and playground markings, and indeed the complete range of surface coating solutions that Riggotts can provide, are painted using state of the art equipment and materials. Such cutting-edge techniques include thermoplastics, MMA resin, one or two part epoxy, or indeed chlorinated rubber products.

With a nationwide client base we've cemented our reputation as one of the premier playground markings, and indeed all manner of surface coating, businesses in the UK. Indeed, it is no surprise that given our reputation precedes us we have recently won 2012 contracts in the Isle of Man, Isle of Wight, Orkney, Lerwick, Isle of Islay and Stornoway.

Riggotts prides itself on our ability to complete all playground markings, and indeed all manner of projects to budget, and in a timely and efficient manner. No matter the size of the project, whether you require simply playground markings or a comprehensive road surface project that must be completed over a period of time, our commitment is never questioned.

Whether you commission Riggotts to complete a playground markings project or all manner of sports court markings you can be sure that our flexible yet professional service that is unlike what our competitors can offer. All of the sports court, playground markings, or indeed any of the surfacing requirements that you may have, will be completed by our team of in-house professionals. We adhere to strict health and safety policies, and have facilitated playground markings, and surface requirements, for a range of blue chip customers like Virgin Media, Ikea and The Royal Bank of Scotland.

So, if you'd like to contact us to discuss any requirements that you may have, from surfacing to road and playground markings, or indeed to find out more information about our services, then please come and visit us online at: www.riggotts.co.uk.
