Service Uncle's Free Business Listings to give boost to Service Industry business by [Uncleservice](#)

Article published on December 26th 2011 | [Business](#)

Service Uncle, the world's 1st online portal exclusively for Services, is a unique combination of Business-to-Business (B2B) and Business-to-Customer (B2C) portal where a person can find information on Services / Service provider in any city across the globe!

It emanates from the concept: To buy a product, you can go to any shopping mall, but where to go looking for information on Services that you need in any city / area / country? For answer Just Ask Service Uncle. And, to make your life easier, search is categorized into wide range of Service Categories that affect our day-to-day lives!

A Service Provider in any city across the globe can list his company's services for FREE! To do this, simply click the link <http://www.serviceuncle.com.au/free-listing.php> and apply for Free Listing by filling the simple form.

The Service Provider can also advertise with us by choosing from options like Banner, Display Ad, etc. We have different packages viz. Platinum, Gold, Silver & Bronze in Display Ad option, which will get your Ads listed on priority rankings apart from many other advantages. Remember, Service Uncle is your global online showroom, better package you take, higher are the chances of getting big business! Of course, there are some special offers too!

There are many three different ways by which users can get information on Service Providers. These are :-

Easy online search : You can search online easily.

Service Info-on-call : Just call at +91-129-4240000. And our representative will be there to provide information on Services that you are looking for over the phone itself.

Live chat : You can chat with your queries through this mode, and we'll be there to serve you.

Service Uncle has many other added features like

Information on Email : Users can just enter their email ID and the information of Service Provider will be sent to them through email Free of cost!

Information on mobile by SMS : Users can just enter their mobile number and the information of Service Provider will be sent to them through SMS Free of cost within India!

Email this business : Users can send their enquiries to the Service Provider directly from the portal Free of cost!

Anyone can also Earn Money by becoming our Strategic Partner. Under this programme, you can get direct commissions on sales made directly by you. You can also create your own network of Strategic Partners under you and get indirect commissions on sales made by them, whereas your network Strategic Partners will also get direct commissions on all sales made directly by them.
