Tired of working all week long in the capital? You deserve a rejuvenating break away from the hotchpotch of the monotonous life. Book a Weekend Getaway from Delhi and refresh yourself. Give yourself a break and loosen up a little bit. Your Indian Holiday has much more to offer than you can realize!

Amazing Golden Triangle Tour – The best way to book a weekend tour to get away from the regular life, you may book yourself for a Golden Triangle Tour. Here you will have the fun of visiting two very amazing cities namely Jaipur and Agra. Your golden triangle weekend tour will let you witness the culture of different ancient cities. Visit these cities and explore the life of the royal past of India. The best part is that you can travel from one city to another in just 5 hours. Let the historical monuments, the palaces, the forts, the gardens and the amazing architectural grandeur of these places take you back to an age when art and architecture prevailed at its best form. Attractions that you will come across are the world famous Taj Mahal, the Agra Fort, the Hawa Mahal and many more ancient beauties. Enjoy a break and learn something new!

Witness the Wilder Side of Nature! – If you are a wildlife enthusiast you would love a Weekend Getaway from the busy city to Jim Corbett National Park, Ranthambore Sanctuary or Keoladeo National Park in Bharatpur. De-stress yourself and watch the wild animals at their wild behavior. Click pictures of the wild in action and forget all about the regular life. Enjoy the pollution and work free environment where you can be one with the nature. Refresh and rejuvenate your senses amidst the tranquil nature. Let the animals and the birds give you a sense of relaxation which you strongly require. These wildlife destinations are the homes to many wildlife beings. From animals, birds to reptiles – if you are lucky enough you can get a glimpse of the endangered and rare species of animal.

Indulge in Religion and Culture – Travelers who are looking forward for a religious break can also opt for amazing destinations for a Weekend Getaway from Delhi. Take a trip to the fascinating city of Mathura, the city which is believed to have been the birth place of Lord Krishna. A visit to this city will let you realize that it still holds the age old culture and customs of ancient India. The best part is that it just takes 5 – 6 hours drive from Delhi to Mathura. Religious travelers are sure to enjoy the purity and serenity of this town which today houses a wide number of temples and places of worship. You will come across innumerable holy shrines related to Lord Krishna's life. Few places which you should visit are Dwarkadhish Temple, Government Museum, Krishna Janambhoomi, etc.

A Holiday in India is a memorable experience; likewise a weekend getaway to any destination will give you all the pleasure in just two days. Weekend Getaway from Delhi is a much required break for every individual as it helps in de-stressing and rejuvenating one's senses. To get away from the monotony of the hectic schedule at work one needs to get a break from it into a destination where one relax and do something new. Be it a family trip, an office tour or an escapade with good friends, a weekend break is a time when you can forget about work and indulge in extreme fun and exploration. Kick start your new week with an amazing weekend break!
