Great facilities provided by Octashop to start online retail business by [Sanchita Kumari](#)

Article published on May 10th 2012 | [E-Commerce](#)

To set up your online eRetail business in an effective and productive way, it is necessary that you look for e-commerce solutions that have great benefits. For this, you need the help of a company that provides the best e-commerce solutions and helps in running your online retail business smoothly and efficiently. Octashop is one of the best e-commerce solutions that facilitates expanding your online business. It offers most path-breaking solutions to its clients.

Octashop is an IT company which has been working for eight years. It provides a great e-commerce platform for those who want to establish their online business all across the world. This company will help you utilize e-commerce solutions in order to start a brand new online business. E-commerce solutions are affordable, easy to install, and reliable. Octashop is the perfect E-commerce solution that bridges the gap between the sellers and buyers. The buyer will get an advanced and enjoyable shopping experience for sure from your online retail business.

For your online eRetail business, Octashop is the best E-commerce for e-Retail. To sell your product online, this company will help you in many ways which in turn will bring lots of customers to shop products from your website. It helps to capture rich information so that the buyers can easily understand about your brand. Furthermore, this company will help your online business with cross-selling and up-selling. In cross-selling, the product is sold in addition with another product to the customer. On the other hand, in up-selling, the customer is provided with the desired product but an expensive product is sold to the customer.

Besides this, the well-trained team of Octashop has a great order management system. It is an online system that accepts the orders of the buyers and allows the businesses to manage workflow, delivery of the product, and warehousing online. Also, it gives mail and SMS to buyers and sellers.

If the buyer purchases a product from your online retail store, then Octashop makes sure that the desired product is reached easily within a short period of time. The information regarding the price of the product is given in full details to the buyer. The buyer is provided with multiple payment modes like he or she can do it with a credit card, cash on delivery, etc. Also, the gift and discount coupons are given to the buyers which help to save their large amount of money.
