Kochi is a south Indian city and is located on the West Coast of India by the Arabian Sea. Kochi was formerly known as Cochin and is situated in the Ernakulam district of the Indian state of Kerala. The city of Cochin is the second largest city of the state of Kerala. Cochin is also referred as Ernakulam, which means the eastern part of the mainland Cochin.

This populated city ranks first in the sector of tourism in the state, as the city has a number of worth a visit spots and locations. This beautiful city is home to the Southern Naval Command, of the Indian Navy, state headquarters (DHQ4), and Air Squadron 747 of the Indian Coast Guard, maritime related facilities including the Port of Cochin, an International Container Transshipment Terminal, the Cochin Shipyard, offshore SPM of the Cochin refineries, and the Kochi Marina.

This city of Cochin is also the home of the Cochin Stock Exchange, International Pepper Exchange. Major chemical industries like FACT, TCC, IREL, HOCL and Cochin refineries. Noida also has industrial parks like, Cochin Special Economic Zone and Infopark. Cochin is administered by the Corporation of Cochin. The city name Cochin was supposed to be taken from the Malayalam word which means "small lagoon". Even in the ancient time, Cochin was the city of trading spices to other lands. According to the historians the city got inception as early as in the twelfth century. Cochin is home to the Cochin Stock Exchange and is also known as the commercial capital of the city.

This rapidly developing city has many small, medium and large scale industries. It is also emerging as an IT city of the country. In the past few decades, Chennai has emerged as an education destination, as the city has founded and established some of the top notch education institutes in the city. The schools are affiliated with one of the following boards namely, CBSE, ICSE, NIOS, IB, and other state boards.

The city has hundreds of schools and other educational institutes. Some of the well known and prestigious institutes are as follows, the Cochin University of Science and Technology, the Mahatma Gandhi University, the Cochin University, the Indian Institute of Management Kozhikode, School of Management Studies, and Sacred Heart's College. The coeducational schools in the city are also there and provide education to both the genders.

As girls and boys study together so they learn to live in a symbiotic relation with the opposite gender people. The schools here have comfortable school atmosphere, and a dynamic curriculum gives a cutting edge to them over other schools. A helping office staff not only helps but also makes the admission procedure easy and hassle free. The schools in this city do believe in providing equal opportunity to every child, so that every child could dream big and could see their dreams coming true. Cochin city has come a long way since its inception, and it is worth appreciation.
