Article published on January 7th 2012 | [Education](#)

Now-a-days the need of managerial and administrative skills needs no mention in any field. As the competition is growing day by day, the situation in business world is getting much more critical. With the rapid change in the scenarios like technological transfer, globalization, economical changes, changes in market the necessity of adaptation of the management skills and newer thoughts are becoming predominant. While working in an organization, with the present busy life, there is a very little room for pursuing a degree course. Executive MBA course is specially designed for the working professionals so that they can have a higher level degree without affecting their jobs.

The course curriculum for the general MBA and an Executive MBA is similar. The basic difference lies in the admission requirements and the class formats. The executive MBA classes generally take place in weekend and in the evening generally. This format differs with different institutions. During admission an executive MBA applicant is required to have at least five years experience in their respective fields which is not mandatory for a regular MBA applicant. GMAT is must for a regular MBA applicant while it is not required for in the case of executive MBA.

As just mentioned above that the executive MBA India program is designed for professionals who have expertise in their respective fields, they just require it to climb up the ladder of success; most of the courses are provided online. Executive MBA in India is hugely influenced by Hughes Global Education, an Indian operation of Hughes Network Systems. They are presently a leader in providing satellite based broadband network worldwide. The campaign of Executive MBA India is being done on interactive real time platform like other portions of the world. Executive MBA online generally requires an interactive platform so that every student can be taken care of individually like as a live classroom.

Executive MBA India is powered by many top class reputed universities and institutes like the IIM Calcutta, IIM Lucknow, IIM Kozhikode, IIFT New Delhi, AIMA, MICA etc. An Executive MBA from IIM is the most desired thing of any professional. Executive MBA from IIM including IIM Calcutta, IIM Lucknow and IIM Kozhikode offers courses which include EPBM, PLAM, EPYP, EPHRM, EPBA, EPSM, APPM, SMP etc. These executive MBA courses not only provide an upper level degree necessary for a rise in salary but a new way of thinking to handle even the most critical situation in any business. After earning this executive MBA course one can stay at his/her old job with increased responsibility and consequent promotion or may obtain attractive new offers. As the candidates are already gaining experiences from their working environments, the study is implemented in the practical scenario.

There are many institutes that provide online executive MBA India program facility in India. The most important decision is to choose a proper course and a proper institute for you. One must find a proper executive MBA course that is going to help him in future. The selection of the institute offering executive MBA is also of importance because one needs to ensure that the timings and the certifications whether suits. Hughes Global Education cares for the students'™ job life and provides certifications under the globally respected universities.

The cost of having Executive MBA in India greatly varies amongst different institutes. The course duration is generally one year or more depending on the particular executive MBA course. The output is huge creating a ladder towards the top of the success from your already strong platform.
