MasterCPE.com is offering State Specific CPE Courses by [Editor123](#)

Article published on February 8th 2012 | [Education](#)

CPE courses are important for CPAs and online CPE courses have been an extremely beneficial option for them. MasterCPE.com is an online CPE website, carefully developed for CPAs, helping them to complete their respective CPE hours. This website offers almost everything that a CPA requires to complete his/her continuing education hours. Clicking on www.mastercpe.com can open up lots of interesting opportunities to CPAs, like offering an array of courses on topics like accounting and auditing, computer software, ethics, finance, management, personal development, specialized knowledge and taxation. Moreover, the website also offers the flexibility of state-specific courses, and all these courses are available at very exciting prices.

CPAs can find state-specific courses, such as California CPE courses, on the MasterCPE website. CPAs from California can be rest assured that MasterCPE.com courses are accepted by California Board of Accountancy. The site has a California specific ethics course. According to the licensing requirements of California, a CPA must complete 80 hours of continuous reading during the two years immediately preceding the license expiration date, with a minimum of 20 hours due each year. You can find a detailed overview of the hour requirements for CALIFORNIA CPE at MasterCPE.com. You can complete your hours effectively and efficiently here and this can be the most cost effective way as well.

Likewise, CPAs seeking online Texas CPE courses can also find MasterCPE.com as an appealing online destination. For Texas CPE, a CPA needs to complete total 120 hours of continuing training over a 3 year period, with a minimum of 20 hours per year. Apart from California and Texas, MasterCPE also offers state specific CPE courses for a number of other states in the USA as well. A CPA can purchase a \$149 subscription that provides unlimited CPE for all types of courses (except ethics) from MasterCPE.com. CPA with fewer CPE requirements can also buy individual courses too. Renewing the subscription is also an easy task, with renewal discounts available. Both individual as well as group membership plans are available at MasterCPE.

Finally, MasterCPE is an approved program sponsor of continuing professional education credits for those individuals enrolled to practice before the Internal Revenue Service as Enrolled Agents. Along with such unique attributes, the website is going to extend a lot many options helping you complete your CPE credit hours successfully. MasterCPE is a cost and time effective option offering instant results and as it is a 24/7 accessible online platform, making it highly convenient for everyone.
