EMR Workforceâ€™s Optimized Revenue Cycle Management Services by [JamesHenry](#)

Article published on March 7th 2012 | [Health](#)

EMR Workforce, one of the leaders in healthcare consultancy, management and medical billing services is an Allscripts Premier Sales and Service Partner. Allscripts has announced revenue cycle management services that provide healthcare professionals with a fully featured medical practice management solution targeted at minimizing costs and redundancies and maximizing revenues.

Healthcare professionals will be able to take advantage of EMR Workforceâ€™s leading electronic medical billing and medical claims management services with a proven track-record and best possible yields in ROIs and insurance claims.

Official press release follows:

Allscripts (NASDAQ: MDRX) will introduce attendees at the Healthcare Financial Management Association (HFMA) 2011 national conference to Allscripts RCM Services(TM), the industryâ€™s first end-to-end, integrated, pay-as-you-go financial and administrative management solution designed to optimize the physician practice revenue cycle.

Allscripts RCM Services provides physician practices of every size and specialty with a complete outsourced business office that is paid for on an ongoing basis, as a percentage of their monthly collections. The turnkey, full-service billing and settlement solution integrates the market-leading Allscripts practice management technology with professional services and a full claims management, patient payment and clearinghouse suite.

A cloud-based business solution requiring no new hardware or up-front costs, Allscripts RCM Services manages the entire revenue cycle continuum, from operational planning to scheduling to final collections and denials management-all working in synch to drive out costs and drive in cash flow. Allscripts RCM Services leverages the Allscripts solution set along with the companyâ€™s proven expertise in revenue cycle management:

Combined with Allscriptsâ€™ industry-leading solutions and EMR Workforceâ€™s proven track-record and methodologies, our revenue cycle management and billing services offer the best blend of technology and expertise for healthcare professionals.
