The House Tree is so much more than a local estate agents by [Julia Roger](#)

Article published on December 12th 2011 | [Home](#)

House Tree is a contemporary online estate agent that combines all the traditional benefits of the personal service that youâ€™d expect from local estate agents with a large property marketing spectrum.

Here at House Tree weâ€™re one online estate agents that believe you need the best possible start when marketing your property online. We offer significant advantages over local estate agents which include floor plans and virtual tours of almost every property. These services are in addition to the active marketing that we undertake for each and every property.

As so much more than a local estate agents The House Tree properties are listed on more than one hundred and fifty different websites. So, if youâ€™re looking to sell your property then by marketing it with us you have automatically given yourself the best possible opportunity of a sale.

Here at The House Tree we have an experienced team of negotiators and valuation experts online. As so much more than a local estate agents we make sure that you obtain the best possible price for your home in the most cost-effective time. In addition, here at House Tree we have developed Rapidsell technology which gives you maximum exposure to your property in those crucial first few months of marketing.

Our online marketing strategies offer so much more than local estate agents as we advertise your property on Fish4Homes, Right Move, Up My Street and Gumtree, amongst other prominent websites.

If youâ€™re still somewhat unconvinced about the quality of service that House Tree can offer you then consider one of our testimonials from Kathryn M who saved three thousand eight hundred and forty five pounds because she chose to market her property with us and not a local estate agents. â€œI would certainly recommend anyone to use your online estate agents, great value for money indeed.

To find out more about just why our service is far superior to local estate agents, or to view our current property listings then come and visit us online at: [www.housetree.co.uk](http://www.housetree.co.uk).
