Bhopal is the capital city of the Indian State Madhya Pradesh and is one of the greenest cities of the country. Bhopal is extremely rich in term of the schooling education given to the children and it is city with high literacy rate of almost 83%. The schools of Bhopal are affiliated to boards like CBSE, ICSE, MPBSE (Madhya Pradesh Board of Secondary Education) and the NIOS. There are over 550 schools that are sponsored by the state government, 4 Kendriya Vidyalaya affiliated to the CBSE Board and there are number of other schools affiliated to all the other boards including CBSE.

The schools are aimed at imparting significant education and maintaining a good level of infrastructure for the mental and physical growth of a child. The best known schools of Bhopal are Bal Bharti Public School, Vindhyaachal Academy, Orion International School, Gyan Ganga Academy, St Xavier Senior Secondary School, Mansarovar Public School, Hema Higher Secondary School, Maharishi Vidya Mandir etc.

Hema higher secondary school located in Govindpura is English medium co educational school affiliated to the CBSE board. The school serves education from class nursery to class 12th. Science and commerce streams are available for the students after the successful completion of class 10th. The school was established to fulfill the long dreamt educational aspirations of BHEL Industrial Township and the adjacent areas to have a school that caters to an educational system positively similar to that of a Public School. There is average number of students in every class so that it becomes easy for the teacher to interact with the students. This makes easy for teachers to explore the ability of the students.

The campus of the school is large which provides an opportunity to conduct various activities within the school itself. Other facilities provided by the schools are well furnished spacious classrooms, maintained and well equipped laboratories having all modern techniques, library with latest books on all the subjects and daily journals to keep the touch alive with the world, computer lab with the internet facility, an audio visual room, Sports and Games are a regular part of the school curriculum. The school has latest facilities for indoor and outdoor games i.e., basketball court, jumping pit, volleyball court, kho-kho ground etc.

Bal Bharti Public School is another leading school of the city located in Nishantpura. An education that can't help common mass and the nation is of use is the core belief of the school. BBPS strive to instill high moral values, positive attitudes, punctuality, freedom of mind and a rational and scientific approach in the students. The facilities provided by the school are auditorium, art room, assembly hall, classroom library, computer lab, IT enabled smart class programs, laboratory, library, medical room, music room, shops, canteens, indoor and outdoor sports facilities and a playground.

The schools in Bhopal are very much focused and know exactly the value of education in a human life. Perfection and excellence are two basic things the schools strive for in Bhopal. The students of the school are responsible and know how to deal with difficulties with maturity.
