Article published on May 30th 2012 | [Marketing](#)

Tissot is a watch brand of the affordable watch that sets the standard for luxury, style and sophistication. Tissot watches have been the standard of pioneering and sophisticated Swiss watch design and technology since the company was founded in 1853. Technologically they are peerless. Stylistically they are an impeccable combination of fine taste, and an athletic and active lifestyle. These watches are unquestionably for go getters. Worn by numerous icons over the years, from movie stars like Jimmy Stewart and Grace Kelly, to sports legends like Michael Owen, to music giants such as Elvis Presley. Tissot watches leave no doubt about the wearer's outlook. You don't have to be a celebrity to wear these watches, but it wouldn't hurt to have the attitude of one.

The Tissot Touch Watches are most likely essential when it comes to performance and characteristics. It has a compass, alarm and chronograph functions, altimeter and thermometer and it even has a meteorological function that displays local weather trends. T-Touch. The standard of it comes in a variety of colors and combinations. Their unifying feature is in fact the patented touch screen technology and each one includes eight practical and high-quality functions.

And it is the Innovation which is the main reason for the success of Tissot. Over the years, it has been manufacturing watches which suit your budget and bring luxury in your life. With changes in tastes of consumers, it has been successfully giving a new definition to the way of our vision to watches. If you are a proud possessor of a Tissot watch, you would know what this implies. Tissot watches are meant to give you an experience of luxury blended with substance.

Only the highest quality materials are used in the manufacture of these fine watches. The stainless steel used in Tissot watches is highly resistant to corrosion and extremely durable.

The Tissot Touch make very good corporate gifts. If you are on the lookout for a classy gift to present your boss, or a senior, or a business associate, Tissot has a great collection of watches with stunning designs and marvelous poise. Carson, Trend Flower, Heritage Classic and the latest T-Touch are some of the super-stylish watch models that you can choose as a gift. On best of all the above reported credits, Tissot has also been chosen as official time keeper for outstanding sports meets, which makes no compromise in superior and innovation. No matter the appearance, the style, Tissot touch, men's best choice.
