The best way of getting bad credit mortgage rates by [Jack Smith](#)

Article published on June 20th 2012 | [Mortgage](#)

Everyone should have access to his or her dream house. And this holds true even for people who have not been prudent at handling their finances. This holds true for people with poor credit history. In the olden times, it's quite hard to get a loan if you have bad credit. However, with the evolved markets and huge competition today, there are special products made for those who don't have the best scores. If you have a poor credit history, there are the bad credit mortgage loans for you!

Thus, having a poor credit standing should not hinder you from taking a shot at that dream house of yours. When you are financially troubled but you want to own a house, try getting a bad credit mortgage rates.

Most evolved finance companies focus on treating all of their customers as individuals, rather than just as another credit score. This is true even if one has a flawed credit history. They believe that they can find the perfect rates and terms for all individuals. These companies will try to get you a mortgage loan, even if you have experienced bankruptcy or had a foreclosure. These companies believe that by buying a house, you have already shown a degree of responsibility and achievement in life. When searching for a bad credit mortgage rates, these companies can help with credit approval problems, such as hard-to-prove income, an excess of existing debt, and a lack of perfect credit. Moreover, they will try to get you the best bad credit mortgage rates in the market.

Sometimes resorting to refinancing is not such a wise idea. And this is especially true if you are already in financial trouble. Find bad credit mortgage rates instead, as this product is specifically made for this type of need.

There are some instances that should prompt you to start researching for bad credit mortgage rates such as having extensive credit card debt, having been declared bankrupt, having been denied of mortgage applications, having a County Court Judgement (CCJ) against you.

However, if you are already in the deep waters, being able to show the bank a source of stable and steady employment will also help. If you've been at your current job for years they will see you as someone who is responsible and again, that will make you look like a better candidate.

Also, having valid reasons for why you fell behind on some payments and the reason for the issues on your credit report can also help. If you were out of work because you got hurt, but you've since fully recovered and haven't missed a day, the bank will see that as an exceptional circumstance and may be a little more forgiving about your score.
