Bharat City is a project developed as a joint venture of the HDFC PMS and BCC group of builders. This project has been designed under the Indraprastha Yojana near the Hindon Airbase in Ghaziabad, the fastest developing city of NCR.

The township is truly inspired to serve the general people's priorities. It is a closed gated community spread over an area of 60 acres, designed to be one of the best upcoming townships in Delhi / NCR. It is the Indraprastha Yojana project, one of the largest residential projects to be developed in Ghaziabad and offers 5000 units with multiple options in sizes and layouts to revel in the bliss of the finest living styles. Bharat City offers you 2/3 BHK flats over an area of 60 acres, located at the corner point of Hindon Airbase.

A major number of flats and apartments constructed in the Bharat City are situated close to the Delhi Metro network and thus connectivity has become easier to the metropolitan city. The strategic location of apartments in Ghaziabad is also yet another blessing for those who are in the city to earn their living in Delhi or NCR. The Bharat City township has the advantage of a huge number of shopping malls and retail stores to help you enjoy an enriching shopping experience. As far as the education sector is concerned, Ghaziabad has developed its own world-class educational facilities in the city. The pricing of the apartments in the township is suited to fulfill one and all class of working people, the township meets the major standard parameters to meet the needs of all and offer contemporary and affordable housing options. One can find low cost to expensive premium apartment or flats in the city.

The Bharat City apartments have been built by involving the best architects from the industry. Wooden laminated flooring is given in master bedroom and vitrified tile flooring is provided in other rooms. Apart from the above mentioned amenities, the kitchen and bathrooms also possess quality stunningly beautiful fittings. The apartments have been designed to be free from the dangers of earthquake as per the earthquake resistant RCC frame structure to avoid the danger. Walls and ceilings have been painted in oil blended distemper in shades that will visually delight you.
