Real estate â€“ Definitely a money-spinning investment [Deepti](#)

Article published on May 22nd 2012 | [Real Estate](#)

Nowadays people have become cautious that living at own home is far better than a house on rent. It is noticeable that people living on rent are not at all satisfied because they have to face so many limitations. Along with this, they have to pay high rent due to which they are not financially secure. Indians are relying upon nationalize and private banks in order to get their dream house because banks are offering them home loans so that they could feel at soothe while giving easy installments.

To channelize extra funds, maximum foreign investors are closely observing real estate market of India so that they could know about insights of real estate sector of this fabulous country. Every year endless students and people visit here to live, study and work as they feel that India is a better location to live. Apart from cooperative and spiritual citizens, India has metropolitan cities which have so many large buildings and it is difficult for an individual to judge that whether he is in India or abroad. Taj Mahal, Gateway of India, India gate and gorgeous beaches are among major attractions of India. Unlimited foreigners love to enjoy their holidays here. As a matter of fact, there are limitless visitors in India and it will be tricky for one if he starts counting them. Reason behind this is that they love the culture and appreciate dazzling sceneries of this beautiful country. Punjab has emerged as a place which has perfect mixture of residential and commercial buildings.

As costs of properties in big regions continue to increase in great pace and for a middle class family, it is tough to buy a home in large cities, majority of entities are shifting to Punjab these days. Apartments in various parts of Punjab have swimming pools, spacious rooms, parks, round the clock water supply, 24/7 power back up, suitable parking and gym centers. People have flexibility to select 1bhk to 5bhk flats, villas and independent houses.

Mohali has favorable environment for home buyers and it is known as excellent dwelling place for those who want to purchase a home. Real estate in Mohali is also growing rapidly and boundless buildings have been constructed here as of now. Long time back, nobody was interested to buy a property in Mohali as it had nothing much to impress visitors. However now, scenario has changed a lot. Mohaliâ€™s infrastructure is considered as its biggest strength. In Mohali, IPL matches are played every year and people living there get an opportunity to watch these matches. Corporate offices of leading automobile companies, international call centers and KPOs have been opened at Mohali. Builders have been entering Mohali for mega residential projects. Sometimes, we have enough money but no idea about where it can be invested. It would be profitable if your money is invested in real estate in Mohali. If you wish to live in serene environment, Sunny Heights is an exceptional choice.
