Football Tickets Madrid: a Good Excuse for Touring Spain by [Julia Roger](#)

Article published on May 2nd 2012 | [Recreation](#)

Summer time is all about party. In fact, the vacation time when schools and colleges are closed for a couple of months. That time is perfect to enjoy some steamy vacation season. There are places all around the European continent, which are ideal vacation spot to enjoy the vacation period. Spain features a lot of beautiful cities, town, and islands to enjoy during summer vacation. How about planning for a country trip?

Spain may not be a large country, but definitely, one of the most beautiful and historic places to be in. Moreover, you will not become a rocket scientist while spending those ideal vacation days in your residential house. It will take around ten to fifteen days to visit the whole of Spain in a comfortable and enjoyable way. The cities are located very close by and can be travelled on road without much of time delay. You can start from the country's capital, Madrid. The city features for importance historical landmarks as well entertainment zones. If you are a soccer fan, then arrange for football tickets madrid. Watch your favorite superstars live in action from the Santiago Bernabéu stadium. It will be an exciting experience.

A couple of days stay at Madrid and then you head towards Barcelona. It is one of the best places in Spain to spend vacation time. It is the cultural capital of this country and is extremely beautiful in nature. There are several historic and heritage sites within this city. Stay in this city for a couple of days and then head towards Valencia. If you have missed out soccer at Madrid, then why not arrange for football tickets valencia? It will be quite exciting to seat between 55,000 crowded people at Estadio Mestalla stadium and watch live soccer action from international players.

Two days will be sufficient in this city. Then, take the coastal way to reach Ibiza Island. After spending couple of days in this island, you can head towards Tenerife Island or can return back to Valencia. Once you reach Valencia again, arrange for a trip to Marbella. From Marbella, you can make a short trip to Puerto Banus. After that, head towards Benalmadena. It's a beautiful seaside town. Enjoy the stay in this town for a couple of days before getting ready for return journey back home.
