Wilson Tennis Rackets - the Personal choice of Every Winner by [Danica Pasion](#)

Article published on August 21st 2012 | [Sports](#)

For just about any tennis enthusiast they certainly know what is common between Serena Williams and Roger Federer. Apart from being an undefeatable champion with the latter at ATP World Tour and the former as a grand slam champion of Wimbledon, both put to use Wilson tennis rackets in all their competitive matches.

It is without a doubt that Wilson tennis rackets are synonymous to winning. It all began in 1945 when Jack Kramer, also known as the father of modern tennis, became the company's signature model. He helped in designing and personalising the racket that he thought will benefit the requirements of all tennis players. From then on it was documented that almost 10 million tennis players purchased the Jack Kramer signature tennis racket. Unsurprisingly, even professional tennis players like Arthur Ashe, Billy Jean King, John McEnroe and Tracy Austin also saw the effectiveness of the Jack Kramer Wilson tennis rackets that they likewise used it during their grand slam winning matches.

Apparently Wilson tennis rackets are created for all types of players. For newbie, distinctively designed tennis racket that offers maximum comfort and swing ease are developed to make them enjoy the sport more. Various price range is usually provided so the players can vary their decision depending on their budget. If they are running short on funds then they can choose Bold BLX, Tidal Force BLX and Coral Reef BLX. Otherwise, they can obtain a more expensive rackets like Khamsin Five BLX, Cirrus One BLX and Stratus Three BLX. Anyway whatever they choose the exact same top quality of all Wilson tennis rackets persists for them to appreciate.

Subsequently, parents who want to introduce their kids to the sports can pick the junior series of Wilson tennis rackets. They come in various colours like green, blue, yellow and even pink that can make any kid get enthusiastic. Additionally, it has smaller frames that will fit their little hands. Among the most favored Wilson's™ junior racket includes Roger Federer, Venus Serena, US Open, Blade BLX, Pro BLX as well as the lovable looking Dora the Explorer series and Sponge Bob Square Pants Junior rackets.

For the particular serious players, the all around Wilson tennis rackets are the most effective choice since it is expected that advanced players have already progressed their playing tactics and are likely to play more vigorously. Relatively, they likewise have long fast swings and have the ability to control the power they will provide behind their shots. As a result, the models integrated in the all around frames racket can effectively give a nice blend of consistency, precision and responsiveness to help them develop their playing skills further.

Significantly the name that Wilson has established over several decades still stays up to present and this is to produce the best sports equipment to assist every players achieve their limit in their selected sport. Therefore, it is definite that all Wilson tennis rackets are resilient, have the right string tension and the size of the grip designed depending on the type of player who will use it. With all the perfect elements integrated on each racket, it will no longer be a question why even the very best tennis player in the world will choose it instead of other brand.
