A Different Boutique Hotel Experience at Cartagena, Colombia by [Nenad Kolar](#)

Article published on March 12th 2012 | [Travel](#)

If you've heard of boutique hotels then you know that there exists a tranquil and pristine getaway that's strikingly beautiful and close to nature. These boutique hotels have a style that goes far beyond ordinary aesthetic levels and more importantly, provides the privacy and intimacy of a vacation that guests aspire.

Boutique hotels were first established in the 1980's. Blakes Hotel, the very first boutique hotel, opened in 1981 in South Kensington in London. Morgans Hotel in Murray Hill in New York City followed next in 1984. These two are categorized as American and European hotels. Other boutique hotels from the Latin Americas have also joined the list of these emerging and comfortable places to stay.

Since the 1980's, the definition of what can be considered as a boutique hotels in terms of size, appearance, amenities and other distinguishing aspects have not been clearly established. Generally, boutique hotels are great places of attraction and relaxation because of its beautiful architecture and design. They are usually small compared to hotels thus are less crowded and more homey. However, it also offers the basic amenities found in hotels like swimming pools, restaurants, bar, and other services like laundry and ironing.

You can find the best boutique hotels in Cartagena, Colombia, a beautiful Caribbean island located in Southern America. The boutique hotels Cartagena tourists patronize are most loved by those who seek a quiet escapade and an atmosphere of both leisure and relaxation. Boutique hotels provide tranquility to make guests enjoy life's simplest pleasures. This unique experience make their vacations memorable.

The boutique hotels Cartagena offers showcase different architectural and interior designs. Some of which depict the classic and traditional Hispanic style which reflect Colombian heritage. Other boutique hotels are more deviant in terms of adapting a more post-modern style of architecture and interior design. Boutique hotels have swimming pools, beach access, restaurants and other leisurely amenities which give guests a more fun vacation experience.

But the best reason why a guest will love to stay in a boutique hotel is its size. A boutique hotel is cozy yet complete and can offer to its guests same amenities of a hotel. Considering its price, location, accommodation, amenities and availability of leisurely activities, the boutique hotels Cartagena is proud of exceed expectations. These boutique hotels are truly a must-go-to place for vacation-seekers.
