Choose Your Own River Cruise Adventure with Cruise World by [Andersonjohn042](#)

Article published on May 31st 2012 | [Travel](#)

Imagine yourself enjoying a glass of Margarita, the vast expanse of the ocean looming in front of you, the cool dusk breeze brushing through your hair as you watch the sun set in the horizon. You close your eyes; take a deep breath and say: "This is life!" We know that going on Europe river cruise in your "life to-do list" which is why we have put together numerous packages for you to choose from. For most, it's an once-in-a-lifetime experience, while for those who have the means can go back again and again. Whoever you are, we have luxury cruise holidays waiting to be explored. Choices as Vast as the Ocean Cruise World is an independent cruise company which means that we are not obliged to market a specific liner. This gives us the advantage of culling the best luxury cruise holidays out there, so you get to pick your own ocean escapade. From Alaska to South America, from the Caribbean to Asia, wherever you want to go, we can bring you there. Cruise World will help you in every step of the way beginning from planning your trip to make the process stress-free. Unlike other cruise companies which offer luxury cruise holidays on group tour packages, ours are private and are customizable to your liking. Get First Dibs on Cruise Bargains Let's face it. Not everyone has thousands of money to spend for a cruise. We believe that the world is for everyone to explore so we are in constant search of last minute cruise deals for all the budget travelers out there. Cruise World has a strong and longstanding relationship with some of the biggest cruise lines and associations. Eleventh hour cruise options arise depending on several circumstances and we always get to them first. As long as your schedule is free, the last minute cruise deals which we offer are yours for the taking. Unmatched in value and loaded with fun "now, that is how a cruise should be. More than Just a Cruise Aside from Europe river cruise, we also offer Asia cruise. This is our way of giving back to Mother Nature by educating travelers about environmental conservation and preservation through our private and exciting tour packages. Saving the planet has never been more fun! Luxury cruise holidays and more! Are you ready for an adventure of a lifetime? We are. See you aboard!
