Enjoy Trekking Tour in Nepal on Holiday Vacation by [Mike Atherton](#)

Article published on July 7th 2012 | [Travel](#)

Nepal is the gateway to the Himalayas and is a picturesque land where the sunset and sunrise are glorious. Nepal can be explored with the help of transportation or on foot. Take the opportunity to explore this beautiful land the best you can. An eight day trip will suffice for the basic tour of the country. It is advisable to spend a luxurious amount of time taking in the scenery of Nepal. Trekking in Nepal is common and very popular among tourists. Guides are always available to assist you through the region. A Nepal tour will include the tour of the main cities like Kathmandu and Pokhara. Nepal is the land between India and Tibet and is a cozy hidden gem in the lap of the Himalayas. Nepal boasts of luxury and fine hotels.

City tours

After your Annapurna trek in Nepal, take the city tour of Kathmandu. Luxury hotels in Kathmandu boast of vintage layouts and open spaces for the most discerning traveler and luxury seeker. Kathmandu has many heritage sites and boasts of a strong cultural and religious influence. The people are warm and welcoming in Nepal. The peaceful demeanor of this city is inviting and enticing. The durbar square is an attraction in Kathmandu. The monkey temple is a place you would not want to miss out on visiting. The view is breathtaking and exquisite. The next place to invest your time in is at Pokhara. The beautiful country lakes, people and Tibetan villages will capture your heart as soon as you get there. The Nepal tour does not end here. You must visit Chitwan when in Nepal. The national park is diverse and full of various species of animals and plants.

Bookings online

You can always find great deals for Nepal tours online. Online agents are now offering custom made vacations. A Nepal tour is usually a week to ten days long and will include a city tour as well as a visit to the remoter regions of Nepal. The beautiful landscape of the country will leave the memory of your visit memorable. Traveling with your family or spouse always attracts a discount. Make sure to ask your agent for the details. Also remember to get your entire itinerary before you leave for Nepal.

Luxury

Nepal tours are known for its luxurious hotels and guesthouses. The agents will inform you of the various accommodations you are booked at depending on the package. While trekking in Nepal, you will get a chance to visit the tropical forests and pass through local villages and stay at the forest lodges. Pick up some local souvenirs to take home while you are visiting the local bazaars.
