Online Limo Booking in Eastern Pennsylvania by [Christina Kevin](#)

Article published on June 25th 2012 | [Travel](#)

Pennsylvania which is officially known as the Commonwealth of Pennsylvania is one of the historical states of the U.S. It is one of the significant states of the U.S with high tech cities and facilities which are second to none. The largest cities in the state of Pennsylvania include Philadelphia and Pittsburgh. Among the smaller cities of Pennsylvania include Erie, Reading, Bethlehem, Allentown and Scranton. The state of Pennsylvania is known for its revolutionary war era sites which include Valley Forge. Harrisburg is the capital of the state. The estimated population of Pennsylvania is more than 12,742,886 people. It is a multicultural state with people belonging to all races, cultures, traditions and religions from all over the globe. As far as the transportation facilities are concerned, there are a wide number of transportation firms offering superior class vehicles and services. The chauffeur driven limos in Pennsylvania are highly popular and tourists often hire them for making their trip to Pennsylvania, remarkable and memorable.

Pennsylvania Car Hire

Getting a car hired in Pennsylvania for different events and occasions is a usual trend. The state offers a plethora of companies offering all kinds of vehicles including economical to luxury class cars. However, majority of people who are fond of hiring limousines, prefer to hire sedan limos which are economical and budget friendly for all. The sedan limousines which include BMW 7 Series, Lincoln Town Car L Series and Mercedes Benz S Class are suitable for a maximum of 3 passengers, 2 at back and 1 at front with the driving seat for a chauffeur. The sedan limousines are hired for special events such as night on the town tours, day out tours, family trips and excursions, private parties, promenades, weddings, airport transfers, corporate transfers, business travels and more. Aside from sedan limos, the SUV limos are also economical and budget friendly cars. They include Cadillac Escalade, GMC Yukon XL and Chevy Suburban which are most popular of all SUVs.

Pennsylvania Limo Hire

Limousine is a vehicle which is extraordinary and more luxurious than any other vehicle however the common concept which is associated with a limousine is that of a stretched limousine. The stretched limousines may they be sedan stretch or SUV stretch, are the most popular and expensive limousines. They are considered around the world as a symbol of wealth and status. The status conscious people hire these luxury cars as tools of impressing others and for making great impressions. The stretched limousines offer a comfortable seating capacity of up to 18 passengers. They come with features which are second to none such as wooden or marbled flooring, fiber optic mood lighting, plush interior with extremely comfortable leather seats, tinted windows, privacy divider, VIP area for up to 4 people, roomy interior, large TV, CD/DVD player and hi-fi surround sound system. The most popular of sedan limousines include Lincoln Town Car Stretch and Chrysler 300C stretch whereas stretched SUVs include Escalade ESV stretch and Hummer H2 stretch which is the most popular one.
