Article published on July 31st 2012 | [Travel](#)

The trend of hiring promenade limousines has become greatly popular around the world. Students make special arrangements for making the biggest event of their high school life more memorable. There is a plenty of expectations and emotions associated with this grand day. The high school students are usually of the opinion that promenade is the biggest event in a student's life. The high school students stay too much occupied with their studies and examination that they hardly get a chance to make arrangements for promenade however still they start making plans and preparations months before the big day. The saving of funds and the stitching or purchasing of special dresses are the key preparations which are made before the prom night. The City of New York which is one of the world's hot favorite tourist destinations and the liveliest places is popular for sheer luxury and class. All types of limousines are seen at roads all over the city. In fact skyscrapers and limousines have become the symbol of the great iconic city of New York. There is a great deal of transportation firms offering cheap limo services in NY.

The high school students gather funds and hire limousines. Different types of limousines are hired for different kinds of requirements. The couples who prefer to travel alone with complete privacy opt for sedan limousines which are economical as well as an ideal solution for a couple. They are equipped with features such as rear controlled air-conditioning system, comfortable leather seats, roomy leg space, spacious trunk for baggage, satellite radio, LCD TV and CD/DVD player and much more. The NY prom limo hire companies also offer the most expensive limousine vehicles which are stretched limousines. They are not only most expensive but also most luxurious vehicles of all. A stretched limousine comes equipped with fabulous features which are incomparable. Fully stocked bar, plush interior, dark tinted windows, extremely comfortable leather seating, privacy divider, a special VIP area for maximum 4 people and rear controlled temperature system are some of the features of a stretched limousine car.

The people who arrive in the great city of New York also opt for NY airport limo hire. The private car hire companies at all airports of the New York State offer the services of chauffeured limousines for all kinds of airport transfers. They also offer self driven private cars for hire. The types of limousines which are usually found and hired in New York include sedan limousines, SUVs, stretched limousines, luxury executive vans and limousine buses. The car companies also offer special limousines prepared for prom parties. Due to the ever increasing demand of prom limousines around the New York City, the local transportation companies have included special pink colored prom limos in their fleets. Bridge Limousine is the leading NY limo hire company offering all kinds of world class limo services at lucrative prices. Their fleet features latest models of all types of limousines which are driven by professionally trained and licensed chauffeurs.
