Surfing Puerto Rico in the Summer? by [Azal Bailey](#)

Article published on May 7th 2012 | [Travel](#)

There has been much talk about the Caribbean being one of the most popular places for people from around the world to unwind, explore and revel among the many places known for their outstanding natural beauty. So, if you are actively considering surfing Puerto Rico in the summer, it should be just one of the abundant choices that the many landmarks in the region have to offer in terms of adventure sports, water sports and other activities that are pure fun and nothing else.

It's not without good reason that Puerto Rico has often been popularly referred to as the "Hawaii of the Atlantic, known at its best for the numerous surf competitions that keep both the professional surfers and the amateur players coming back for more nature and great surf.

Surfing Puerto Rico in the summer is one of those activities that would pump your adrenaline up and let you soar over the waters. The surf competitions that mark the homeland of nature are just the celebrations of the best in class in the sports getting together to take on the rough waves on surfs or with kiteboarding. The tremendous surfing activity that draws thousands of water sport enthusiasts to the region has made Puerto Rico one of the premier surfing destinations for over half a century now. If you are considering surfing Puerto Rico this summer, you might want to see what the west coast looks like, where surfers from around the world descend during the holidays to form an active community of surfers who revel in one another's company.

Surfing Puerto Rico in the summer does give you a list of destinations for you to choose from, if you have specific preferences or have had your experiences in some and would like to explore what the other destinations have to offer. You might want to test the waters along the fossilised sand dunes that mark the beautiful beach of Jobos, one of the most consistent waves that the island has to offer. Surfing Puerto Rico in the summer would also do you a lot of good if you tried your hand at Steps and Tres Palmas if you are an experienced surfer and would want to go for the big swirling waves to test your limits. Whatever your passion is, you would have food for your appetite as you go surfing Puerto Rico in the summer.
