Tips to Select a Right Taxi Among Plenty of Taxies at Airport by [Garima](#)

Article published on July 31st 2012 | [Travel Tips](#)

If you are looking for best taxi service for your airport transpiration so here is few suggestion for you that can help to get best transportation. We all aware about taxi services but if we follow few tips before choosing for airport transfer so it might be great deal to get maximum benefits from taxi company. There is lots of Taxi Company in your city but all of them offer different flexibility and services to their passengers. While you have planned to book your airport taxi that you need a punctual taxi because every minute would be really important for you. There are following more things that should be consider in best airport taxi.

Experience does matter at every stop of life even you need a taxi then you should prefer an reputed and experienced taxi company those always work in favors of passenger. No doubt that an experience company will always recruit an experience taxi driver who would have complete knowledge of different routes and would be able to perform better in traffic problem. Best way to know about the reputed and experience company is to ask for recommendation from your friend's circle, family member etc.

Drivers should be very punctual on picking location because a taxi is not like a bus service that takes too much time and it must react like own vehicle like clean cab, flexible seats, GPS facility, educated driver and a/c facility etc. Many taxi companies take complete care of passenger and try to provide healthy atmosphere so that passenger can feel as they are travelling through their own vehicle not other taxi.

Make sure that the taxi company has certified drivers. Look for Designated Driver and make sure that they dressed professionally so give a good impression to your clients. Ask for discount and do not consider initial rent quotation as the final quotation. Also ask for hidden cost if any " A taxi company may charge something that is hidden, make sure that you know all of the charges.

A reputed taxi company provide an emergency number that help you in any emergency and may pick you from anywhere within 10 minutes. If you are on a vacation or in some kind of emergency you can simply call the services of city taxis, they will take you to your destination. Mr. Taxi is one of the famous taxi sources in Lexington and takes complete care of all facility for their passenger for Lexington Airport Transportation.
