Elba Island is the third largest island of Italy and it's located between Tyrrhenian Sea and Ligurian Sea. Elba is one of the most famous touristic destinations of Italy, known for the beauty of its coasts, nature and small towns. You can reach the island travelling by plane and landing to Marina di Campo airport, the only one airport of the island, or you can use ferrie: Portoferraio, one of the main ports of the island, is only 13 kilometers far from the coasts of Tuscany. Elba island is part of the National Park of Tuscan Archipelago, which includes other islands like Giannutri, Pianosa, Gorgona, Giglio, Montecristo and Capraia.

On Elba is possible to enjoy the traditional holiday with your family, but you can also enjoy a more adventurous experience. Furthermore, you can practice any kind of sport activity. For example, you can go hiking through the inner part of the island, admiring the rich nature of the area and reaching the top of Mount Capanne, the highest mountain of the island, but you can also dive and explore sea depths, where you can watch many rare species of marine flora and fauna. You can use kayaks to go around the island, moving on sea water and visiting hidden coves.

Elba island has some of the most wonderful landscapes of Mediterranean Sea, and you can visit the whole island in few days of vacation. But if you want to spend your holidays there and live an unforgettable experience, you should exactly plan your trip, get Elba info and consider any detail. Elbareservation is a very good touristic source for people who want to know more information about Elba. It's a reference point website where you can find many Elba info about ferries timetable and cultural events on the island. You can also check online the availability for hotels, residences, villas and more, choosing your favorite kind of accommodation according with your specific needs. On Elbareservation you can also find some special offers for your trip, for example directly comparing rates and conditions of the ferries, and receive some tips for your holiday time on Elba island.
